ARCHITECTURE SUMMER WORKSHOPS
Come to Barcelona and enjoy the best time ever!

2017
“PORTS OF THE MEDITERRANEAN”

**DATES:** 16th June – 14th July 2017  
**PLACE:** Barcelona – Mediterranean Cruise

Get to know the Architecture of the main settlements of the Mediterranean, their cities and ports, cradles of cultures, with the 2017 Summer Workshop: “Ports of the Mediterranean”.

The workshop will focus on the relation between architecture and sea. Barcelona’s privileged geographical location has favored the settlement of a diversity of cultures connected to the Mediterranean, which have materialized through history into different urban structures and architectural shapes.

We will explore the maritime history of Barcelona and its relation with other Mediterranean settlements that we will visit during the course.

“BARCELONA, PORT OPEN TO THE SEA”

**DATES:** 16th June – 14th July 2017  
**PLACE:** Barcelona – Girona – Tarragona

Get to know the Architecture of Barcelona as one of the main settlements of the Mediterranean, with the 2017 Summer Workshop: “Barcelona, port open to the sea”.

The workshop will focus on the relation between architecture and sea. Barcelona’s privileged geographical location has favored the settlement of a diversity of cultures connected to the Mediterranean, which have materialized through history into different urban structures and architectural shapes.

We will explore the maritime history of Barcelona and its relation with the historical settlements of Empúries (Girona) and Tarragona.

“CATALAN MODERNISM”

**DATES:** 26th June – 7th July 2017
