| | Spanish regular courses B2 or C1 (during the semester as regular courses) |

| **Courses cost** | U$S 350 every Spanish course |
| **English courses** | Simulation Process |
| | Mathematic Modeling in Chemistry Engineering |
| | Introduction to Computer Science |
| | Sensors and Actuators (only on Autumn Semester) |
| | Alternative Energies (only on Spring Semester) |
| | Materials resistance |
| | Automotive Structures (only on Autumn Semester) |
| | Petroleum Geology (only on Spring Semester) |
Other issues

Visa

Students are required to enter the country as tourist. Once they are in Argentina, they will be required to have a transitory residence. ITBA International Office will help every student to get this visa. Some non European or American nationalities may need extra permission. Please send us an email to consult for any special case.

Medical Issuance

Argentinean national health insurance is mandatory as the National Health System does not recognize international companies without having pay back.

Housing

ITBA does not have students residence but a list for accommodation is offered for every student once they are accepted

Student organizations

SABF, TRAMA, Conexion, SPE student chapter, IEEE student chapter, CEITBA, AEII student chapter
