

IScO's excursion to Speyer 4th June 2016

Speyer

We would like to invite you to join our next excursion. It will be to Speyer. Where we will be having a guided English-language tour of this fascinating location.

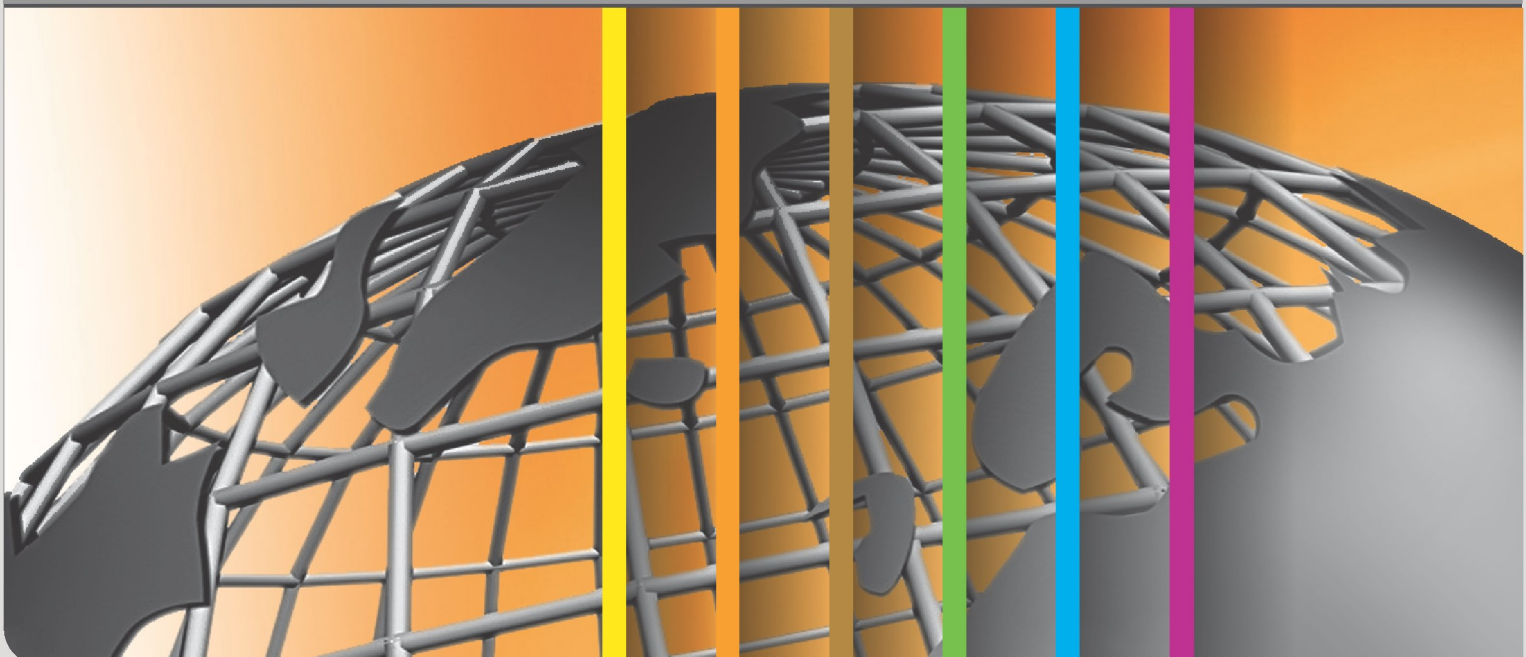

One of the oldest cities of Germany with a cathedral dating back to 1030 AD (UNESCO World Heritage Site) and many other historical sights. Speyer is located on the Rhine where you can also find the cathedral gardens. Culturally Speyer offers several attractive museums, chief among which are the [Technology Museum](#) and the [Historical Museum of the Palatinate](#). These are the three main possibilities to visit, of course you can choose yourself.

When? 4th June 2016 at 9.30 a.m. (Please be on time as we are going by train.)

Where? Meeting at Karlsruhe Main Station (Hauptbahnhof) - in the main hall in front of the large electronic departures display

IScO's excursion to Speyer 4th June 2016

What will it cost? The return train ticket and guided tour is 10 euro per person, but depending on the group size, there may be cheaper options. All other costs (entry to museums etc.) will have to be covered by yourself.

Do I need to register? Yes, as we have a minimum number required for the guided tour. Please answer stating your name, nationality, KIT Institute and email by **20th May**. [doodle](#)

Whom can I contact should I have further questions? Please contact Visitingresearcher@INTL.kit.edu

Can I bring children? Of course.

You will have the opportunity to meet other international researchers, PhD students, scholarship holders in a relaxed atmosphere and to also enjoy some of the sights this region has to offer! Ask your colleagues and friends to come along with you.

Join us! We look forward to meeting you!

Image © Technik-Museum ([Technology Museum](#)) Speyer shows one of their many interesting exhibits, a Boeing 747 which you can walk through, or would you rather see the insides of a former German navy submarine or a BURAN Soviet space shuttle or countless other vehicles and machines?
