

## IscO's International BBQ & Regulars' Table

We would like to invite you to join to a special "BBQ" edition of our regulars' table,

on Thursday, 2nd June 2016 at 6.00 p.m.,

at the [KIT International Guesthouse near Mühlburger Tor \(Reinhold-Frank-Straße 48c\)](#) in Karlsruhe.

You will have the opportunity to meet other international researchers, PhD students, scholarship holders in a relaxed atmosphere on a roof terrace and have fun. Ask your colleagues and friends to come along with you.

Our formula for simplicity:

- we provide the drinks (sold at moderate prices)
- and you bring your own food to put onto the BBQ. Salads are also very welcome!

If you would like to join us, **please register by 30th of May** <http://doodle.com/poll/c2nbczg9dpv7yvzx>

Please note, that our party space is limited to about fifty persons. Should you not be able to come after all, please do not forget to deregister. This way, you will give someone else the chance to join.

Join us! We look forward to meeting you!

(If it should rain, we will, instead of the BBQ, have our regulars table at an alternativ location)
