

IScO's Trip to Speyer

for international researchers, their families, colleagues and friends

We would like to invite you to join our next excursion. It will be to [Speyer](#).

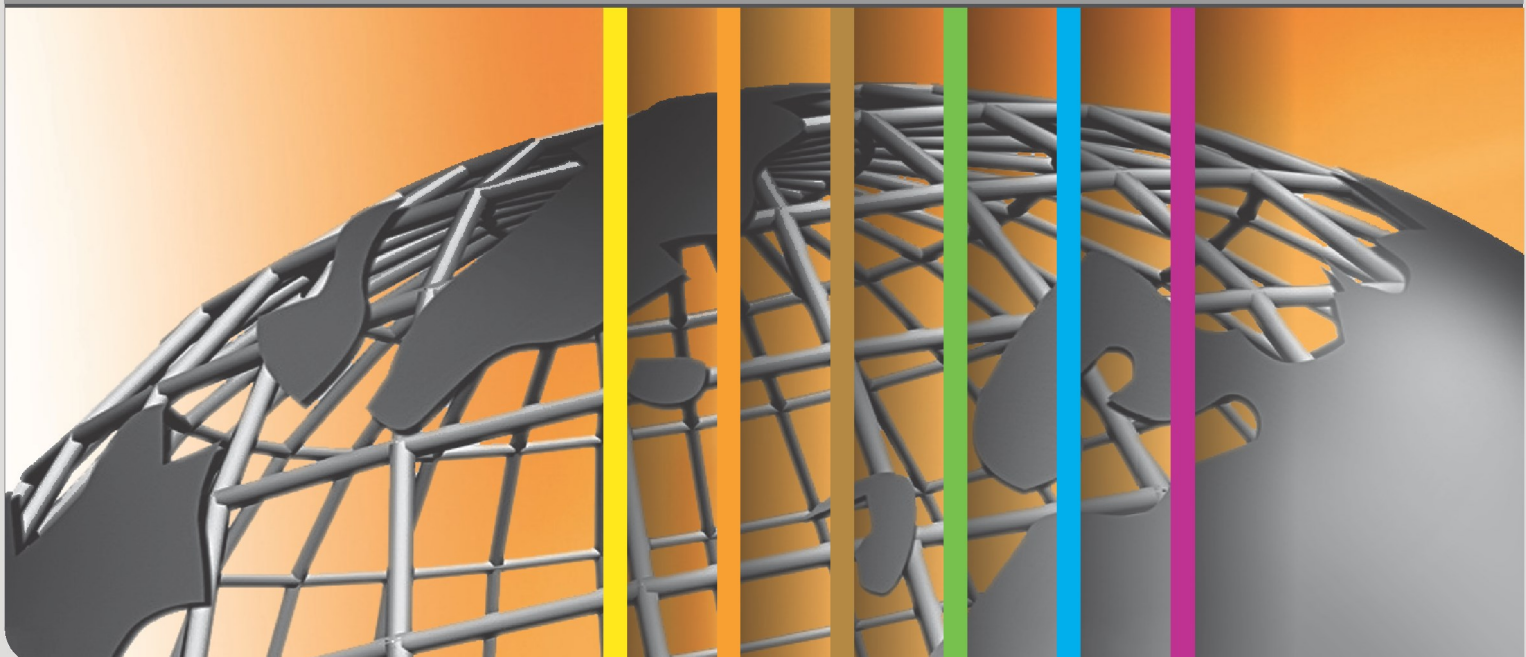

One of the oldest cities of Germany with a cathedral dating back to 1030 AD (UNESCO World Heritage Site) and many other historical sights. Speyer is located on the Rhine where you can also find the cathedral gardens. Culturally Speyer offers several attractive museums, chief among which are the [Technology Museum](#) and the [Historical Museum of the Palatinate](#). These are the three main possibilities we could be visiting, of course you can choose yourself and we would also enjoy to have lunch together.

When? 24th May 2014 at 9.30 a.m. (Please be on time as we are going by train.) If you want to make your own way to Speyer, we should be arriving in Speyer at 10.46.

Where? Meeting at Karlsruhe Main Station (Hauptbahnhof) - in the main hall in front of the large electronic departures display

How long is the outing? We ought to be back in Karlsruhe by 6.00 p.m.

International Scholars & Welcome Office (IScO)

IScO's Trip to Speyer

What will it cost? The return train ticket is 23 euros, but depending on the group size, there may be cheaper options. All other costs (entry to museums etc.) will also have to be covered by yourself.

Do I need to register? Yes, it would help our planning very much if you could answer by 15th of May. Please register every person who wants to take part.
<http://doodle.com/p34hsqzucakec6u4>

Who can I contact should I have further questions? Please contact alexander.mahler@partner.kit.edu

Can I bring children? Of course you can, the Historical Museum of the Palatinate e.g. has an exhibition on 40 years of Playmobil and offers younger visitors activities.

You will have the opportunity to meet other international researchers, PhD students, scholarship holders in a relaxed atmosphere and to also enjoy some of the sights this region has to offer! Ask your colleagues and friends to come along with you.

Join us! We look forward to meeting you!
