

## **KIT PhD Days 2014: INFORMATION — ORIENTATION — NETWORKING**

The first KIT PhD Days will take place from **Tuesday, March 18 to Friday, March 21, 2014**. This new event is targeted at all doctoral researchers at KIT and at those interested in doing a PhD. The event will take place every year.

This year's motto is **INFORMATION — ORIENTATION — NETWORKING**. Presentations, panel discussions and workshops — partly in English — will provide participants with insights concerning the diverse aspects of doing a PhD.

On Wednesday the program of presentations will be accompanied by several information booths that will give you an overview of important contact persons and services for doctoral researchers at KIT. The four KIT graduate schools GRACE, BioInterfaces, KSOP and KSETA will also be presented.

The so-called *Doktorandencafé* and various get-togethers (such as the evening barbecue [Grillen und Chillen](#)) will provide participants with plenty of opportunity to network and get in contact with doctoral researchers from other disciplines.

The KIT PhD Days will be officially opened on Tuesday afternoon during the panel discussion on the topic of successful doctoral studies (*Erfolgreich promovieren*).

Here you can find the event's agenda: [http://www.khys.kit.edu/english/KIT-PhD-Days\\_Agenda.php](http://www.khys.kit.edu/english/KIT-PhD-Days_Agenda.php)

### **English-language events are:**

#### **Wednesday, March 19**

[How to find initial financing for the PhD period \(presentation\)](#)

[Options for additional funding during the PhD period \(presentation\)](#)

[Research in international teams at KIT – opportunities, expectations and pitfalls \(panel discussion\)](#)

#### **Thursday, March 20**
