

Summer School Programme in the Capital of Europe

Dear partner,

It's time to sign up for our 2018 Summer School Programme in the capital of Europe. Last year's programme was a great success and we look forward to having your students again!

We would like to outline a few points concerning the programme and the exchange ratio proposal. We will organise and provide your students with the following classes and guest lectures:

- **French Language & Culture** (Beginner's & Intermediate) – (1.5 US credits/3 ECTS/ 20 contact hrs)
- **European Integration** – (3 US credits/6 ECTS /42 contact hrs)
- **Business in Europe** – (3 US credits/6 ECTS / 42 contact hrs)

Additionally:

- A variety of **company visits** will be organised in conjunction with the classes.
- EM Strasbourg Business School will host **cultural activities**.
- EM Strasbourg Business School will host a **welcome dinner and a farewell dinner**.
- Exchange students will enjoy **full student privileges** while enrolled in the programme: access to computer labs, the cafeteria and the library.

We are offering this programme to all our partner schools either at an undergraduate or a graduate level. An additional requirement of a term paper will be required of graduate students.

Our summer school programme is organised within the framework of our reciprocal exchange agreement. There are therefore no enrolment fees for students.

Taking everything into consideration, we would like to offer our programme at the following **exchange rate**:

Four students from the partner school for the EM Strasbourg Business School summer school programme in 2018 in exchange for **two semesters** of study for **one** EM Strasbourg Business School student in the year 2018-2019.

Best regards,

Kevin Mac Gabhann, Associate Dean of International Relations, EM Strasbourg Business School
