

International Days am 9. und 10. Oktober

[--english version see below--]

Sehr geehrte Damen und Herren,

liebe Kolleginnen und Kollegen,

am 9. und 10. Oktober veranstaltet die Dienstleistungseinheit Internationales (DE INTL) die [International Days](#) am KIT unter dem Motto „Karlsruhe and the World“, zu denen wir Sie herzlich einladen. Mit einem vielseitigen [Programm](#) bietet die DE INTL allen Interessierten zwei Tage lang die Möglichkeit, mehr über die internationalen Aktivitäten am KIT und über das KIT als internationale Einrichtung zu erfahren und im Austausch mit Expertinnen und Experten neue Ideen zu entwickeln. Der Vizepräsident für Innovation und Internationales, [Professor Dr. Thomas Hirth](#), eröffnet die International Days am **Mittwoch, 9. Oktober 2019, um 12 Uhr** im Senatssaal (Geb. 11.30).

Die Veranstaltung bietet Ihnen die Möglichkeit, an Seminaren und Workshops zur Interkulturellen Kompetenz, internationalen Verbänden, internationaler Forschung und weiteren spannenden Themen teilzunehmen. Treffen Sie beim [15. Humboldt-Tag](#) unsere internationalen Wissenschaftlerinnen und Wissenschaftler aus dem [Humboldt-Netzwerk](#) und erhalten Sie bei einem Vortrag von Anke Hoffmann-Pantha (AvH) Informationen zum weltweiten Netzwerk der Humboldtianer. Die Podiumsdiskussion zum Thema „Internationalität leben und Forschungsgruppen am KIT“ bietet Einblicke in die Arbeit internationaler Forschungsgruppen am KIT. Zum Programm gehören auch die Verleihung des [DAAD-Preises](#) und des [DAAD-Stipendiums für außerordentliches Engagement am KIT](#) sowie der [Zertifikate für Cross- Cultural Competences](#). Die Preisverleihung wird musikalisch vom [KIT-Konzertchor](#) begleitet. Es besteht zudem die Möglichkeit, eine Ausstellung des Fotografen [Markus Breig](#) zu besuchen. Die Veranstaltung findet überwiegend in englischer Sprache statt.

Hier ein Auszug aus dem Programm:

- 15th Humboldt-Tag at KIT: Presentation on funding opportunities, by [Anke Hoffmann-Pantha](#), Alexander von Humboldt Foundation
- "Inside China: The new Silk Road – What remains for us?" by [Dr. Manuel Vermeer](#), acknowledged expert on China
The KIT Lecture Translator, by [Andreas Sexauer](#), Center for Technology-Enhanced Learning (ZML), KIT / [Dr. Sebastian Stüker](#), Institute of Anthropomatics and Robotics (IAR), KIT
- Karlsruhe Tritium Neutrino Experiment (Katrin) a benchmark for a project with international cooperation, by [Prof. Dr Guido Drexlin](#), Institute of Experimental Particle Physics (ITP), KIT
- Speech by KIT Alumnus Dr. Bernd Holzapfel: "Lessons from an entrepreneur, advisor and investor in Silicon Valley and Seattle"
- News from [HeKKSaGOn Network](#), by [Oliver Schmidt](#), International Affairs, (INTL), KIT
- "Collaboration in transcultural networks. Civil society organizations as partners in cultural relations", by [Svenja Zaremba](#), Center for Cultural and General Studies (ZAK), KIT
- Workshop: "Creating international double degree programs: a guideline", by [Prof. Dr. Andreas Braun](#), Institute of Regional Science (IfR), KIT
- Workshop: "Living, Conducting Research, and Working in Germany", by [Dr. Manuel Vermeer](#)
- KIT in Cluster, [Dr. Klaus Rümmele](#), International Affairs, KIT, [Dr. Julia Johnsen](#), Erasmus Coordinator, International Students Office (IStO), KIT, [An Tang](#), General Student Committee, KIT

- Welcome to KIT – a short introduction for international students (and anyone else interested), by Jan Straube, International Students Office (IStO), KIT
- European Partnership for Innovative Campus Unifying Regions (EPICUR), by [Dr. Ruth Beckmann](#), Managing Director, Department of Mechanical Engineering, KIT
- KIT Chile Cluster and the German-Chilean Institute for Eco-Industrial Development (IEDE), by [Irma Mantilla](#), International Affairs (INTL), KIT
- 20th anniversary of Pierre Auger Observatory by [Prof. Dr. Ralph Engel](#), Head of Institute for Nuclear Physics (IKP) and Spokesperson of [the Pierre Auger Observatory](#), KIT
- Panel Discussion: Living Internationality – Research Groups at KIT: Insights by Hosts, presented by [Dr. Petra Roth](#), International Scholars and Welcome Office (IScO), KIT

Alle Angebote sind für Sie kostenfrei. Nähere Informationen zu den einzelnen Veranstaltungen und das komplette Programm finden Sie unter: <http://www.intl.kit.edu/international-days-2019>.

Hinweis zur Anmeldung: Melden Sie sich [hier](#) für die einzelnen Veranstaltungen an.

Bei Rückfragen zur Anmeldung erreichen Sie uns per E-Mail: Internationaldays@intl.kit.edu

Anmeldungen sind bis zum **27. September 2019** möglich.

Unser „Save the Date“ können Sie unter folgendem [Link](#) einsehen.

Wir freuen uns auf Ihr Kommen!

Mit freundlichen Grüßen

Dr. Klaus Rümmele

[--english version--]

Ladies and Gentlemen,
Dear Colleagues,

On October 9 and 10, the International Affairs Business Unit (DE INTL) will organize the [International Days](#) at KIT under the heading “Karlsruhe and the World,” to which we cordially invite you. With its diverse program ([link](#)), DE INTL will offer all interested persons the opportunity to inform themselves about the international activities at KIT and about KIT as an international institution as well as to develop new ideas in dialog with experts. The Vice-President for Innovation and International Affairs, [Professor Dr. Thomas Hirth](#), will open the International Days on **Wednesday, October 9, 2019, 12.00 hrs** in the Senate Hall (Building 11.30).

The program will cover seminars and workshops on intercultural competence, international networks and research, and much more. Meet our international scientists from the [Humboldt network](#) at the [15th Humboldt-Tag](#) and learn about the worldwide network of Humboldtians at a presentation by Anke Hoffmann-Pantha (AvH). The panel discussion on “Living Internationality and Research Groups at KIT,” presented by Dr. Petra Roth, will provide insight into the work of international research groups at KIT. The program will also include presentations of the [DAAD Prize](#) and the [DAAD Grant for Extraordinary Commitment at KIT](#) as well as of the [Certificates for Cross-cultural Competences](#). The prize ceremony will be musically framed by the [KIT concert choir](#). It will also be possible to visit an exhibition by photographer [Markus Breig](#). The event will be in English language.

Please find some excerpts from the program below:

- 15th Humboldt-Tag at KIT: Presentation on funding opportunities, by [Anke Hoffmann-Pantha](#), Alexander von Humboldt Foundation
- "Inside China: The new Silk Road – What remains for us?" by [Dr. Manuel Vermeer](#), acknowledged expert on China
