

Erasmus Plus Staff week 2018

9-13 april, 2018

University of Groningen

Programme

You can choose a track from the following themes:

1 Internationalisation at Home.

Different aspects of Internationalization at home will be highlighted. Our experts in the field will present what is being done at the University of Groningen and we will exchange experiences and ideas.

2: Sustainability and The Green University

How 'Green' is your university? And how to become more 'Green'? The University of Groningen is listed #15 in the Green metric Ranking, a list of the 'greenest' universities worldwide. Lots of activities and projects are initiated at the UG to become more sustainable. Several aspects on sustainability will be discussed during the staff week.
