International Students Office (IStO)

A One-stop-shop for internationally mobile students

We support and advise

- **International students** from first contact until successful graduation

- **International exchange students** from all programs in taking their first steps in Karlsruhe (e.g. enrolment, bureaucratic processes, study groups etc.)

- **KIT students** in organizing their studies or internships abroad (financing, scholarship programs, application processes and general procedures of various exchange programs)

- **KIT departments** in setting up and fostering student exchanges and partner programs
