

Internal Telephones

If you do like us to provide you with a telephone in your apartment, please contact us at reservations-gh@intl.kit.edu

At no extra cost, all the telephones are set to be able to receive calls from outside of the guesthouse and to make landline phone calls within Germany.

Telephone numbers which are subject to extra fees are not available!

In order to make an outside call, please press "0" to receive an outside line and then dial the number, including the city code with the leading "0" for calls outside Karlsruhe.

Your telephone number for incoming calls is 0721-82489-xx from within Germany and +49 721-82489-xx from outside of Germany.

Best regards

Yours Guesthouse Team
