WHAT IS MATCHING BASED ON?

In your application, we ask you questions in order to get a better idea of who you are. The more we know about you, the better.

Advantages for international students: Orientation in the new study location

- Information for first-semester students in various languages
 - First points of contact for your own social network
 - Exploring the new place of residence with friends
- A successful start to your studies is of great importance for a successful course of study

Advantages for local students: Internationalization at home

- Dealing with different countries of origin and cultures
- Acquiring intercultural skills
- Experience the demands of studying abroad
- Preparing your own stay abroad
