## **DAAD Prize 2023 for Extraordinarily Committed International Students**

Dear Colleagues,  
Ladies and Gentlemen,

Karlsruhe Institute of Technology (KIT) will grant a prize for extraordinarily committed international students this year.

The *Prize of the German Academic Exchange Service for International Students* (DAAD Prize) is endowed with EUR 1000 and awarded every year.

The DAAD Prize addresses students who reached excellent academic performance and, in addition, showed outstanding commitment in the international context at KIT.

**The prize ceremony will take place within the framework of the KIT Open Day on June 16, 2023, between noon and 2:00 pm.**

### **Nomination Criteria**

You are invited to nominate international students of KIT (so-called "Bildungsausländerinnen und -ausländer" = foreign students). The nominee should have reached an excellent academic performance and has shown outstanding social commitment in the international context at KIT. The prize winner will be invited to come to the prize ceremony on June 16 between noon and 2:00 pm and to personally accept the DAAD Prize for Extraordinarily Committed International Students.

DAAD scholarship holders and foreigners with a German education will be excluded from the selection procedure.

### **Nomination Procedure**

Employees of Karlsruhe Institute of Technology and of the Studierendenwerk Karlsruhe, as well as heads of university groups of KIT are invited to propose international students for the DAAD Prize.

Please attach the following documents in German or English:

- A KIT member's opinion on the academic qualification of the nominee.
- A non-academic opinion highlighting the social commitment of the nominee.
- A detailed CV of the nominee.
- Confirmation of enrollment at KIT.

Kindly mail the nomination, together with the above documents, to [finaid@intl.kit.edu](mailto:finaid@intl.kit.edu).

The nomination deadline is **May 7, 2023**.

If you have any questions, please contact the DAAD Prize Coordinator [Dr. Kai Rebensburg](mailto:Dr.Kai.Rebensburg@intl.kit.edu) (INTL).
