Study Abroad and Exchange Options

1. Study Abroad/Exchange program with 3-4 units (subjects) of study in your chosen field
2. Study Abroad/Exchange program with 2-3 units (subjects) of study in your chosen field PLUS English as one unit of study
3. Study Abroad/Exchange program with 2-3 units (subjects) of study in your chosen field PLUS internship as one unit of study

Study abroad program will cost A\$8180 for 3 unit and A\$9440 per semester for 4 academic units studies.

Study Abroad & Exchange Option 2

Study Abroad/Exchange program PLUS English

Study Abroad/Exchange program with 2-3 units (subjects) of study in your chosen field PLUS English as one unit of study

It is designed for the student who for students who don't meet UWS English language requirements. Under this arrangement students who achieve the following scores can be accepted

» IELTS 6.0 Overall but with a Writing or Reading score below 6.0

Study Abroad & Exchange Option 3

Study Abroad/Exchange program PLUS Internship

Study abroad and exchange students at UWS have the opportunity to undertake an unpaid internship as part of their program. The internship, which is fully supervised by UWS academic staff, offers students the opportunity to gain valuable industry experience.

A UWS internship is usually equivalent to 10 credit points (one standard unit of study) and requires approximately 210 hours in the work placement. In conjunction with the internship, students are required to study two or three academic units in order to make up a full-time study load

Study Abroad & Exchange Option 3

Study Abroad/Exchange program PLUS Internship

In addition to meeting the English language requirements all applicants must provide the following:

- » A completed UWS Study Abroad/Exchange application form with specified attachments
- » A Résumé (Curriculum Vitae)
- » Two letters of reference with the contact details of the referees
- » A statement outlining the area of preferred interest for the work placement.

What our students say.....

Jeannine List, Germany

Study Abroad 3 unit, Business and Commerce

'If you study in Sydney, use the free time to go to all the wonderful places around Sydney. Visit the Blue Mountains, the National Park and enjoy the beach life.'

Peter Struck, Germany

Study Abroad PLUS Internship, Environmental Sciences

'The UWS internship offered me the opportunity to get valuable experiences in a foreign work environment and then subsequently a part time job, which I was offered during my second semester. This helped me to develop new skills for my future career and broadened my personal horizon. The support I got from UWS was awesome and I would always recommend this program to other students.'

UWS Entry Requirements
