	<ul style="list-style-type: none">● Petroleum Geology (only on Spring Semester)● Integration of Information Systems● Commercialization● Business and Internet Technology● Entrepreneurship
--	--

Other issues

Visa	Students are required to enter the country as tourists. Once they are in Argentina, they will be required to have a transitory residence. ITBA International Office will help every student to get their visa. Some non European or American students may need an extra permission. Please send us an email to consult for any special case.
Medical Insurance	Argentinean national health insurance is mandatory as the National Health System does not recognize international companies without having pay back.
Housing	ITBA does not have a student's residence but a list for accommodation is offered for every student once they are accepted.
Student organizations	SABF, TRAMA, Conexión, SPE student chapter, IEEE student chapter, CEITBA, AEII student chapter
