

Dear Humboldt-Fellows, Colleagues and Friends,

On **May 12th at 7:00 pm** we will be hosting our [Humboldt-Regional-Group Karlsruhe-Pforzheim e.V.](#) lecture "**Resilience assessment for the road networks under the earthquake and landslide risks**" held by Professor [Dr. H. Sebnem Düzgün](#).

Professor Düzgün has a Humboldt Georg Forster Fellowship for experienced researchers that allows her to stay in Karlsruhe for one year. Dr. Düzgün is a Professor at the [Middle East Technical University, Ankara, Turkey, Department of Mining Engineering](#).

Date & Time: May 12th at 7:00 pm.

Lecture: "Resilience assessment for the road networks under the earthquake and landslide risks" held by Professor [Dr. H. Sebnem Düzgün](#), Professor at the Middle East Technical University, in Ankara, Turkey.

Venue: "[Zum kleinen Ketterer](#)", Adlerstr. 34, 76133 Karlsruhe

After the lecture there will be an opportunity to join our informal dinner and network in a multi-disciplinary environment.

This lecture is open to everybody who is interested in this topic. So please feel free to pass on the information in your academic network to people who might be interested.

For organizational purposes please [register via e-mail](#) if you plan to attend.

We are looking forward to meeting you there.
