Our Advantages

Experienced and outstanding instructors and professors
 All courses are taught by experienced instructors and university professors, NTU Summer+ Programs offer students various kinds of programs to meet the needs of all kinds of students.

Student advisors

Each program benefits from a number of well-trained NTU students who can provide support for any problem you might encounter during your summer program.

Friendly and International

Each program is open to international students from all over the world. Your experience here will allow you to learn not only about NTU and Taiwan, but also from your fellow peers.

Convenient location in the heart of Taipei

NTU is located right in the heart of Taipei: this is convenient for you to make the most of your summer in this unique East Asian capital.

Outdoor learning

To supplement learning from class lectures, Summer+ Programs offer many cultural activities and field trips for students to understand Taiwanese culture.

One Exciting Summer Full of Fun!

"I enjoyed the cultural classes, the Chinese classes and all the great activities and field trips. As soon as possible I want to go back to Taiwan and all because of this summer."
