To adequately plan ahead according to your profile and interests, information on the following topics would be highly appreciated:

What stage of your fellowship are you currently in? (first half / second half ...)
Have you already decided if you would like to pursue a non-academic career? (yes / no)
Where have you spent most of your academic career (country of origin)?
Do you have any comments or expectations that you would like to share with us prior to the workshop?

Thank you very much - we look forward to welcoming you on September 21!

For all questions regarding the organization of the workshop, please feel free to contact:
