Student Life

Experience an active student life outside the classroom

Our **LiFE** program hosts hundreds of student communities, with artistic, cultural and sports activities that can become a part of your daily life".

LiFE aims to make your university experience memorable by helping you to develop skills that will boost your leadership and bring out your full potential. It is also a wellness ecosystem that promotes a healthy lifestyle aiming to help you balance the emotional, social, spiritual, occupational, physical, intellectual, and financial aspects of your life.

Challenge-Based Educational Model

Our educational model is challenge-based, which requires the integration of academy, industry, and social organizations to develop experiences that will help strengthen your skills while providing benefits to partner companies, as you will provide them with value propositions that meet their needs and solve their real-life problems. In Tec's educational model, more than 1,200 companies have participated in our challenges as education partners.

Our educational model, also empowers you to gradually take more decisions about your professional path and develop a unique professional profile and it accompanies all students throughout their course to achieve their physical, mental, and emotional fulfillment

Immigration Requirements

To study in Mexico, you will require a migratory document that will vary depending on the time you plan to study in Mexico as well as your nationality.

FMM permit

Student profile: students coming to study for a semester or less (180 days or less)

Document required: **FMM** permit for non-lucrative activities

How to obtain it: You will need to obtain this document in your port of entry to Mexico.

Student Visa

Student Profile: students coming to study for more than a semester or a whole year (181 days or more).

Document need: temporary resident **student visa**

How to obtain it: You need to obtain this visa at the Mexican Consulate/ Embassy in your home country, and once in Mexico, will need to complete a procedure at the Immigration Office.

Upon your arrival, the International Office will provide you help to make sure you have the proper legal status while studying in Mexico; however, it is very important that, as an international student, you bring a **valid passport** and **proof of financial means to cover your stay**.

A photograph of several students in a classroom setting, focused on their work. In the foreground, a young woman with long brown hair, wearing a light-colored jacket, is leaning over a desk, drawing with a blue marker on a piece of paper. To her left, a stack of colorful sticky notes and a red bag are visible. In the background, other students are also working at their desks. A semi-transparent blue banner with white text is overlaid across the middle of the image.

YOUR POTENTIAL *MOVES* THE WORLD
