

## Tallinn Tech invites to take part of **English Language and Nordic Culture Summer School**

We invite you to a 4 week Summer School (English Language and Nordic Culture School) that takes place in the marvelous town of **Tallinn** - a combination of innovative city culture in the vicinity of nature.

## **Tallinn Tech Summer School includes two courses:** **English Courses - 15.07-11.08.2013**

English language skills ensures you an admission to the World`s best universities! Develop communicative skills in English, improve pronunciation and grammar, increase the vocabulary, read and learn to understand different texts.

## **Nordic Culture Courses - 15.07-11.08.2013**

We help you to get to know the Nordic history, culture and an innovative way of living. The course gives insights into the life, languages, traditions of northern Europeans.

Includes trips to Sweden and Finland

### **During the evenings and weekends:**

Welcome dinner, a guided tour in **Tallinn Old Town** (incl. tours in the churches), company visit to some international companies - such as **Skype, ABB, Ericsson**, trip to **Pärnu** - Summer capital of Estonia with its sandy beach and romantic boardwalk, boat trip on a luxury ferry to **a small island of Estonia in the Gulf of Finland. Journey to the land of Angrybirds** - Finland (guided city tour in Helsinki, a visit to Nokia, a visit to AppCampus, Aalto University, National Museum visit and lot more exciting places to see). **Journey to the closest Kingdom** - Sweden (guided city tour in Stockholm Old Town, a visit to an IKEA store and lot more exciting places to see).

Apply in April to get the early bird price - [www.ttu.ee/summerschool](http://www.ttu.ee/summerschool), [ami.sinijarv@ttu.ee](mailto:ami.sinijarv@ttu.ee),

Do not miss the chance to see the charm of the Nordic countries and spend an unforgettable summer in Tallinn University of Technology!
